DEDICATION TO LARRY AND COLLEEN—

Every successful attempt in my kitchen and every recipe I have written have their roots in the Blue Heron Coffeehouse. You taught me so much about baking, cooking, and running a business. But the ways you see and care for people have made the biggest impact on my life. Thank you for taking a chance on me all those years ago. Also, I promise I will never again spill grape juice concentrate all over my spare tire and then make you clean out my trunk and change my flat. I love you both.
